Hello Jasmine and Jose,

Our crews confirmed that the tiles were delivered to our yard yesterday 4/10. However, three tiles were already broken at the time of arrival. Could you pass this information to the vendor before/during the payment process so that we can have replacement for the tiles?

Thanks,

Good morning Jasmine,

Our foreman Joseph Gallegos said he received a voice message from the carrier company attempted to setup a delivery appointment, but he hasn't received another call yet. He is still waiting for the call to setup the delivery appointment. Once he confirms that the tiles are received in our yard, I will let you know immediately.

Thanks,
